

Join the Movement to End Addiction

Substance use disorder affects millions of people - and it takes all of us to make a difference. As a **national philanthropic partner of Alpha Sigma Phi**, Shatterproof is proud to work alongside your brotherhood to **educate, advocate, and take action** in communities across the country. Your commitment to service and leadership aligns with our mission to ensure recovery is accessible for all. Together, we are building a Shatterproof world where addiction never defines or ends a life - by transforming systems for tomorrow, supporting families today, and ending stigma forever.
